Stan,

The team I just realized that EPA had not sent you correspondence notifying you, as Project Coordinator for the RM10.9 removal, that I will be covering for Stephanie Vaughn in her absence. This emails serves to simply inform you of that for your records.

Thank you for your coordination of RM10.9 efforts through me thus far. You may continue to copy Stephanie Vaughn on RM10.9 removal correspondence at your discretion, but until otherwise notified, please ensure all RM 10.9 matters are coordinated through me.
Correspondence may addressed to:
